Newsletter Term 3 Week 1

13 July 2021

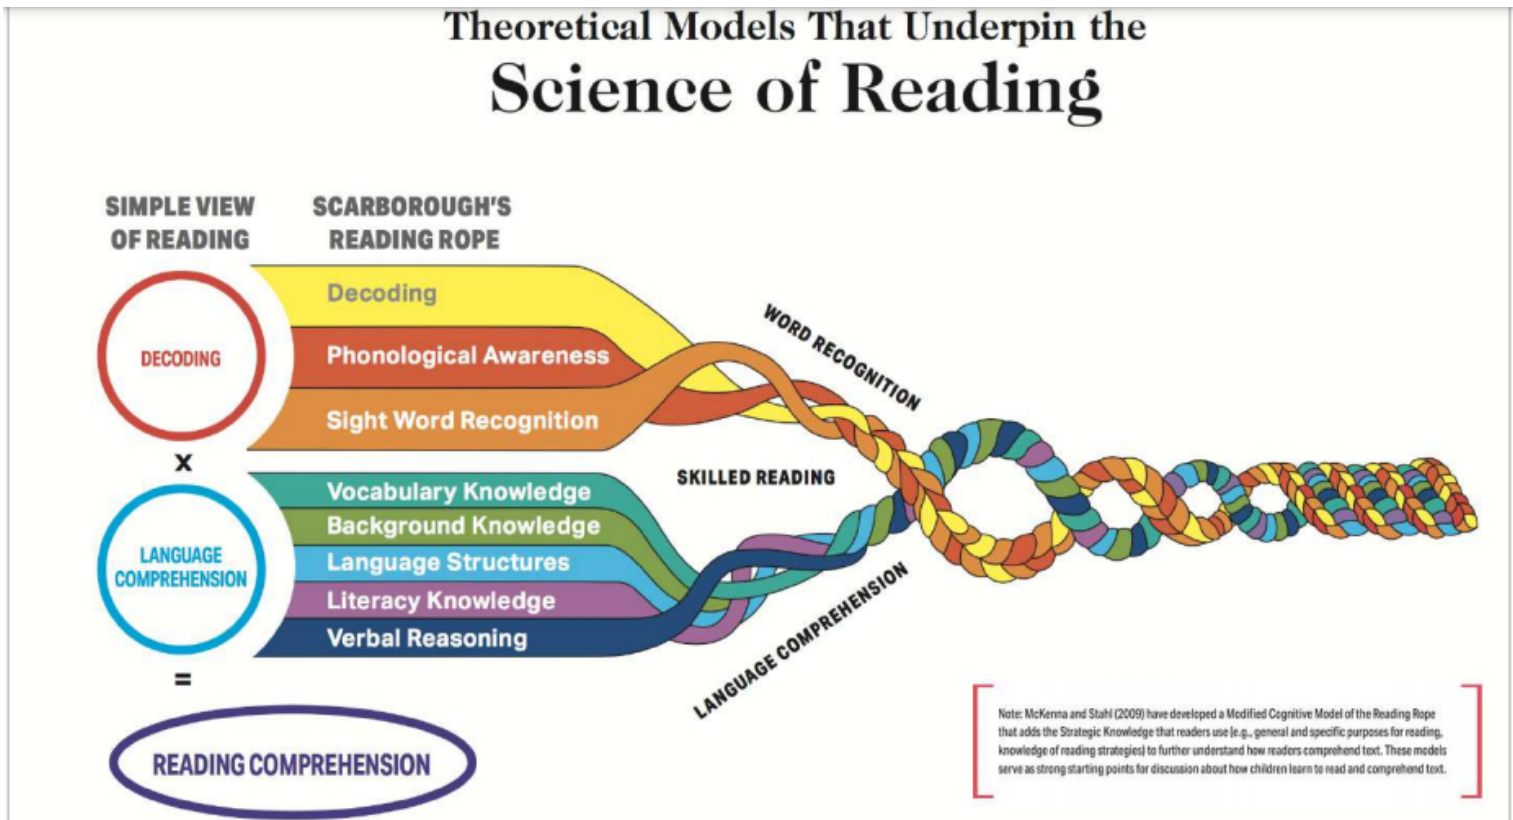

Dear Parents,

Welcome to term 3, I hope that you had a lovely holiday with your children and had plenty of time to hear all the stories from our snow excursion.

I would like to congratulate all students on their exceptional effort, participation, attitude and behaviour throughout the week. We received many compliments from the staff at Ski Rider, the Perisher team and members of the public regarding the students.

It was heartwarming to see all the students interacting with their friends from Girilambone and having positive conversations with the teachers.

**Reading rope** - The teaching staff have been delving into some professional learning around Effective Reading Instruction in the Early Years of school and How schools can improve literacy and numeracy performance. This diagram below illustrates the complexity of reading for our children.

## Sport

On Wednesday the 16th, students from Hermidale and Girilambone travelled to Narromine to verse

Eumungerie in round one of the PSSA Small Schools Touch Knockout. All the training paid off as we came away with the win 6-1. Round two of the competition has been put on hold until restrictions are lifted.

## Parent and Teacher Interviews

**Parent/teacher interviews** will occur during **week 1 of term 3. via phone.** The teachers are looking forward to meeting with you and we will have the opportunity to discuss your child's achievements, growth and learning goals.

### Education Week **Lifelong learners**

This year's theme is 'Lifelong learners' and celebrates education as a lifelong journey from before a child enters an early childhood setting, progressing to primary and secondary school, and continuing their learning journey into adulthood; learning a trade, entering tertiary education, or the workforce. We will be interviewing past Students to learn about their learning journeys and

hope to share the interviews on our facebook page.

Have a great week
