Dear Parents,

It was with pride that the students represented the school at various ANZAC ceremonies over the weekend. Ruby, Marlie & Matilda joined Mrs Dedman and students from the Girilambone, Marra and the Nyngan Schools to march in the Nyngan ANZAC day parade on Sunday. Mac marched with his friends from Tibooburra and White Cliffs Public schools, representing Hermidale PS. Yesterday, the school students joined community members for the annual service in Hermidale which was followed by socially distanced mingling and overdue catch ups.

New playground - Some thoughts about the new playground equipment

Marlie:

I was on the new playground and we were jumping off the platform onto the sand over and over. Ruby and Oliver were the people that took the money but it was not real money it was just sand

Matilda:

"Oh is that so, there is a new playground. It looks so good". I had lots of fun playing, it was so cool, so cool that I can't explain it. It was just so so amazing! There, you scared it out of me!

Jimmy:

Hey, Hey! We have so much sand that we jump off all the play equipment and after that we play sandpit tips and also we do skids and have all sorts of fun.

Abbie:

We finally got our new equipment at school. It is made out of rope and wood. I like climbing up the spider web. When I go on the monkey bars I am feeling a little bit scared. So what I do is I get someone to help me climb the monkey bars. When I jump off the platform I get a bit scared jumping off it, but luckily there's sand to land on so I don't hurt myself. My favourite thing of all is the rope bridge.
